before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Provincial Strategies of Economic Reform in Post-Mao China: Leadership, Politics, and Implementation: Leadership, Politics, and Implementation* (Studies on Contemporary China (M.E. Sharpe Hardcover)):

Focusing on the role of provincial leadership in the initiation and implementation of economic reform, this text studies economic decentralization in eight Chinese provinces. In each area, resource allocation and acquisition of foreign capital and investment are investigated.
