**Ron Babin, Brian Nicholson : Sustainable Global Outsourcing: Achieving Social and Environmental Responsibility in Global IT and Business Process Outsourcing (Technology, Work and Globalization)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sustainable Global Outsourcing: Achieving Social and Environmental Responsibility in Global IT and Business Process Outsourcing

(Technology, Work and Globalization):

Through a series of case studies and surveys, the authors examine current sustainability trends in outsourcing and recommend how providers should prepare for increasing buyer demands in this area, suggesting buyers and providers can work together to build successful outsourcing relationships through collaborative sustainability projects.
