One of the best books out there on how to look for God when addressing everyday problems. Moreau offers a lot of personal experience not only from the business world but also from his life as a son, husband, and father with some very personal insights. Should be read by any Christian who is struggling at the office.0 of 0 people found the following review helpful. Moreau Helped God Talk to me about workBy S. RouillierThis is an outstanding book! I enjoyed it so much that I bought additional copies to give to friends at work.Gary Moreau had all of the monikers of modern success but he lost it all and found the deeper meaning of life. Mr. Moreau successfully bring christian theology to the workplace.I recommend this book enthusiastically!0 of 0
