Shally is a sourcing expert and this book covers every area of internet sourcing available today. He begins with a Sourcing Primer and continues for seventeen chapters to coach you through every aspect of the search and hire process. Chapter 16 is about Personal Work Habits and he ends the book with a chapter on the future of recruiting. This book is for anyone who is responsible for candidate research, sourcing and placement, including H R professionals and executive search/third party consultants. I use it

every day!1 of 1 people found the following review helpful. Awesome conceptsBy CustomerLoved this book! Great tips, easy to understand, great for those beginning recruiting/sourcing and those that have experience. The tips can also be applied to marketing your own business, too. I highly recommend this book, and refer to it often!0 of 0 people found the following review helpful. Great resourceBy Owen WilliamsGreat overall resource for sourcing and recruiting knowledge and process

Comprehensive and up-to-date, this valuable resource offers tested trade secrets for finding talented workers online. Covering all the latest trends, tools, tips, and tricks, focus is placed on practical applications that improve the acquisition, onboarding, and management of employees—sourcing them better, smarter, faster, and cheaper than the competition. From outreach through social media to specialized Google commands, this authoritative handbook is a dynamic weapon for recruiters, professionals, and sourcing specialists wishing to compete in the global marketplace.

It has been my privilege to work closely with Shally. The depth of knowledge I was exposed to had me treading water very quickly, but Shally was always happy to extend a lifeline to keep me afloat. Quite simply Shally is a true expert in his field. Fortunately for us he is willing to share his experiences. -Simon Townsend, Manager Innovation at Deloitte Australia
