Aberdeen Asset Management : Ten golden rules of equity investing before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ten golden rules of equity investing:

0 of 0 people found the following review helpful. Good bookBy Patrick BarberioSimple book with easy to follow topics and explanations that anyone could follow. Definitely a great place to start investing.0 of 0 people found the following review helpful. Short sweetBy MTThis article is well-written, tinged with good sense of humour in its illustrations. Good summary for equity-investing novice. Would love to see more of such articles going forward. Thanks.0 of 0 people found the following review helpful. Equity investment in a nutshellBy ReaderEnjoyed reading this work. Wished it was more detailed than it was. Thank you so much for providing free e-books.

A distillation of insights from the world of investing into ten succinct rules ndash; a light-hearted eBook with some serious lessons. A must-read for all investors.
