Arm yourself with a definition of Teamwork by a respected authority and Good Luck!By Prison LibrarianMy manager reads this author. He said I

would be evaluated on being a team player. I work alone in a library. I saw on his shelf the book, "Ethics 101" by this author so I got this book about teamwork. I worry his definition will be, "When you do not do what I think I told you what to do, you are not being a team player. Now stop moving the books off the shelf!" 0 of 0 people found the following review helpful. Excellent teaching for team leadership/ new oldBy BeckyVery educational book for those new to leadership roles in church, but most challenging and inspiring to those who have been leaders in the church for a long time. Gives an amazing perspective on building your team as well as being able to change yourself to build and promote team building. Our church used it for the ministry leaders in the church as well as those who were interested in being a team leader. I highly recommend the workbook to go with this book.

Leadership expert John C. Maxwell follows his best-selling *The Indisputable Laws of Teamwork* with this powerfully succinct companion book, *The 17 Essential Qualities of a Team Player*. He presents a clear analysis of the personal characteristics necessary for becoming an effective team player. Maxwell's detailed descriptions and many examples are easy to understand and applicable whether at home, on the job, at church, or on the ball field. Inside *The 17 Essential Qualities of a Team Player*, Maxwell outlines the successes of team players who have been: Intentional- making every action count toward a long-term goal Relational- focused on others Selfless- willing to take a subordinate role for the sake of the team Tenacious- hardworking and optimistic in the face of setbacks Maxwell shows how these qualities, and many others, impact the team and its success. *The 17 Essential Qualities of a Team Player* is not feel-good platitudes and abstract thinking, but concrete actions designed to improve the value of every team player.
