Peter Tanous, Jeff Cox : The 30-Minute Millionaire: The Smart Way to Achieving Financial Freedom before purchasing it in order to gage whether or not it would be worth my time, and all praised The 30-Minute Millionaire: The Smart Way to Achieving Financial Freedom:

7 of 7 people found the following review helpful. Talk about helping me crack the code when it comes ...By Linda D.Talk about helping me crack the code when it comes to helping readers grab the reigns on their financial future. Advice seems practical and possible. Oh, and I could see clearly now - I've gotten so much clarity on the Fed the

market! After reading this, I gifted the book to my husband - who's been in the game for 5 years, and it's helped him too! 5 of 5 people found the following review helpful. A clear eyed guide to saving and investing intelligently and for the long term. By N. Colas. A clear eyed guide to saving and investing intelligently and for the long term. Very well written and edited. Good chapters on ETFs, gold (excellent on this point, actually), and the Fed. Highly recommended. 5 of 5 people found the following review helpful. Very logical and easy to follow. By M. Justesen. Great idea and it makes so much sense. Tanous and Cox convinced me that I can become a millionaire starting with a pretty small amount. The plan seems easy enough to follow and I'm looking forward to getting started.

Award-Winning Finalist in the "Business: Personal Finance/Investing" category of the 2016 International Book Awards. Investing experts and best-selling authors Peter J. Tanous and Jeff Cox return with *The 30-Minute Millionaire*

Who better than two keen observers of markets to guide us to successful wealth accumulation in a world flooded with information containing lots of signals and noise. By showing investors how to be a lot smarter about their time allocation, including what to look for and why, this book provides you with important and durable tips and insights. "Mohamed A. El-Erian, Chief Economic Adviser at Allianz. A big Booyah!" to this book, a must-read for any long-term investor. "Jim Cramer, Host of CNBC's *Mad Money*." Tanous and Cox demystify the art of investing and offer timeless financial advice for the individual and institutional investor alike. They pull the curtain back on the money management industry's dark secret...excessive fees erode away a huge amount of potential gains. Readers are rewarded with a clear and practical game plan for compounding capital and creating real wealth. "Michael K. Barry
