Jessica Mitford : The American Way of Death Revisited before purchasing it in order to gage whether or not it would be worth my time, and all praised The American Way of Death Revisited:

0 of 0 people found the following review helpful. Factually written, interesting and quite helpful for our purposesBy C. WaymanInteresting book for use by a Historical Society. Thorough. Answers questions we didn't even know we had. No one found it graphic. They found it factually written.0 of 0 people found the following review helpful. History made interesting.By Jan FunkEnchanted by the Mitford Clan.0 of 0 people found the following review helpful. Two StarsBy Theresa LeClercNot what I expected. A bit of a let down.

Only the scathing wit and searching intelligence of Jessica Mitford could turn an exposeacute; of the American funeral industry into a book that is at once deadly serious and side-splittingly funny. When first published in 1963, this landmark of investigative journalism became a runaway bestseller and resulted in legislation to protect grieving families from the unscrupulous sales practices of those in "the dismal trade." Just before her death in 1996, Mitford thoroughly revised and updated her classic study. *The American Way of Death Revisited* confronts new trends, including the success of the profession's lobbyists in Washington, inflated cremation costs, the telemarketing of pay-in-advance graves, and the effects of monopolies in a death-care industry now dominated by multinational corporations. With its hard-nosed consumer activism and a satiric vision out of Evelyn Waugh's novel *The Loved One*, *The American Way of Death Revisited* will not fail to inform, delight, and disturb. "Brilliant--hilarious. . . . A must-read for anyone planning to throw a funeral in their lifetime."--New York Post "Witty and penetrating--it speaks the truth."--The Washington Post
