From Routledge : The Anatomy of Japanese Business (Routledge Library Editions: Japan) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Anatomy of Japanese Business (Routledge Library Editions: Japan):

This volume collects eleven essays written by Japanese experts on various aspects of Japanese business management and is a sequel to the volume *Industry and Business in Japan*. It examines the mechanisms for Japan's phenomenal economic growth since the Second World War by analyzing Japanese management, business groups,

production systems and business strategy. nbsp;
