I was disappointed by the errors in spelling and grammar. Also, the typeface is irregular. For a paperback book in this price range, I expect a better product.6 of 6 people found the following review helpful. The pieces are better than the wholeBy Dr. John R. SimmonsSometimes an author's enthusiasm carries him beyond this readers ability to follow. There many good idea in the book but you have to sort

out what works for you. I wish I had had this book when I changed my major career into a slower, more gentle pace. I would recommend it for anyone over 50.0 of 1 people found the following review helpful. better than IBy John R. CanepaFast service, better than I expected

Never retire. Rechargement and not retirement. Plan for this early in life. Do not wait until it's too late.
