workbook is missing as pages tend to be cut in half. Someone probably needed to double check the formatting before publishing this as suitable for Kindle. 0 of 0 people found the following review helpful. Five Stars  
By Lessa O'Pernanother excellent study guide

Many organizations and educational institutions use psychometric testing to uncover candidates' abilities and assess their potential. The Aptitude Test Workbook will help candidates prepare for these tests and give them an awareness of their strengths and where they could take you. A companion to Test Your Own Aptitude, it contains 16 tests with over 400 questions - verbal, numerical, perceptual, spatial and practical. With new detailed explanations to aid your learning as well as real life assessments, this new edition is a vital read. Packed with practical advice, help sections and expert tips, it will help the reader improve their key skills and find their ultimate career direction.
