Not sure what to think of it...By Azumi.HI have to say, the author has a very pleasant writing style and it makes sense since it seems like he is an accomplished author in religious books.. but this book contains mostly blanket statements. I have a couple of pages left.. maybe I'll revisit this review later. But for now, I give it 3 stars...because it was free.

John Piper has been trading successfully since the 1980s. To him it is a business, and one that he runs from all over the world. He would not swap the lifestyle -- the freedom, the financial rewards, the barbecued seafood -- for anything. And in this course he reveals how others can enjoy it for themselves too.Over 101 short and easily digestible chapters, this eBook takes readers behind the scenes of the life of a professional trader: from how to get started all the way through to staying in the game for the long term. Find out what a profitable strategy looks like. Discover the cardinal rules of effective risk management. Get a true handle on the kind of mindset you need to succeed. And watch some of Piper's own trades in action with exclusive links to online videos.Collecting his acclaimed 'Trading Intelligence 101' emails together for the first time, this is one of the most candid guides to making a living in the markets that you will ever read.
