differentiate myself and stand out in the workplace, in the right way. I have learned not to settle and push back when necessary. The most important lesson is that we're all human and if we "expect acceptance" every time then you can never lose because you're on the same playing field as everyone else. It is a definite must read if you want to enhance your the way you live and think on a daily basis. I want to thank the author for writing this book because it is truly a great learning tool. 1 of 1 people found the following review helpful. If you are looking to get ahead in your career, this is the book for you! By Shane This is a great book for anyone looking to get ahead in their career by having oneself stand out from everyone else. Debra is very knowledgeable. I find her advice to be spot on. Debra really makes you think about yourself and how you can stand the part from everyone else in the workplace. I have some other books from Debra Benton including *The \$100,000 Club: How to Make a Six-Figure Income*, *Secrets of a CEO Coach*, and *CEO Material: How to Be a Leader in Any Organization*. All of these are great books. I highly recommend any book from Debra Benton. 0 of 0 people found the following review helpful. Very usefull and easy reading. I completed it during one weekend in ... By Aurelio Very usefull and easy reading. I completed it during one weekend in Aruba. in a very simple resume: There is no easy road if you choose to be C-level. You should allways go 120%, you should have do more. Debra tells lots of tips, useful tips. Recommend.

Stay relevant, stay connected, STAY AHEAD OF THE GAME. When it comes to getting ahead today, your talent and experience matter. The problem is, someone else going for the promotion or business opportunity has a reacute;sumeacute; thatsquo;s as good as, if not better than, yours. If you want to get ahead, you have to be different. You have to stand out from the crowd. You have to get decision makers to talk about you.
