order to gauge whether or not it would be worth my time, and all praised *The Chaebol and Labour in Korea: The Development of Management Strategy in Hyundai* (Routledge/Asian Studies Association of Australia (ASAA) East Asian Series):

This important new study argues that an historical analysis of the labour-management policies of the Korean family conglomerates, or chaebol, is essential for a complete understanding of the dynamics of South Korean industrial relations. Focusing on the labour-management strategies of the Hyundai Business Group, the book offers a new perspective on the Asian 'tiger' economy.
