Patricia Hughes : The Complete Guide to Becoming a Successful Mortgage Broker: Insider Secrets You Need to Know before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Guide to Becoming a Successful Mortgage Broker: Insider Secrets You Need to Know:

4 of 4 people found the following review helpful. Light in content By Papa Bear This book contains a lot of useless information, such as 'you should have a cell phone' and 'a computer' and other obvious comments that are repeated

over and over. It's as if this book had been written for children. I would say that over 95% of the book is a complete waste of time. The most important and technical part of being a mortgage broker - the preparation of the loan package - was basically skipped in this book. Not worth your time or money. 0 of 0 people found the following review helpful. lacks any information
By david evans I have been in lending for 10 years and decided to be a mortgage broker, the information in this book, is written by someone who has never been a broker and that's obvious. It's bland and generic, it's like they wrote an generic book on sales and decided to add broker. it's awful. 0 of 0 people found the following review helpful. Four Stars
By Edward Harris Received product as described in good condition.

A reliable mortgage broker is in constant demand and never short on business in any economic condition. According to the U.S. Department of Labor, the average income of mortgage brokers is \$43,210. The mortgage brokering business is one of the fastest growing occupations in America today, yet the financial success rate for these new brokers is dismal. It is estimated that less than 30 percent of new mortgage brokers ever become financially successful. Virtually all mortgage brokers are paid strictly on commission, so there is little motivation for the company to help you succeed. You need the proper training to be prepared. This new book will provide you with a road map to financial success. You will learn how NOT to make the big mistakes most new brokers make, how to put a loan package together, how to find borrowers, how and what to charge, how to guarantee your fee, how to make buyers and sellers happy, and how to quickly and easily locate the best deals for your customers. Additionally, this book provides you with information on licensing and exam fees, the expenses of doing business, your vehicle and insurance coverage, sales techniques, simple methods to get hundreds of referrals, software programs that make running your business effortless, the private mortgage segment, the commercial market, secrets to using the Internet, realtors, online tools and ideas, mortgage technology tips, Internet leads, building partnerships, and much more. We also spent thousands of hours interviewing, e-mailing, and communicating with hundreds of today's most successful mortgage brokers. This book is a compilation of their secrets and proven, successful ideas. If you are interested in learning hundreds of hints, tricks, and secrets on how to earn a high, consistent income as a broker, this book is for you. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books.
