Thomas Maskell : The Complete Guide to Investing During Retirement: Turn Your Savings Into Earnings before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Guide to Investing During Retirement: Turn Your Savings Into Earnings:

1 of 1 people found the following review helpful. Bad investment to buy this bookBy DaddyoI bought this book for one penny on and it is a perfect example of why I buy so many books for less than a dollar at I can sum this book up in

one sentence: " In order to invest right during retirement.....your investment needs to earn money rather than lose money "Simply put this book tells you that you need to earn money on your investments but.....and it's a big but.....it doesn't tell you how or what you should invest inThis book is going in the garbage and thankfully.....I only " invested " \$ 4.00 in it (\$ 3.99 shipping handling + ,01 for the cost of the book)0 of 0 people found the following review helpful. So, SoBy John in CaliforniaFine, but not great. With this type of book you run the risk of it not being "timely". This book was not untimely, but it was not hugely helpful in a zero interest rate environment.4 of 6 people found the following review helpful. Complete?By David HopewellI would have liked to know that "Complete" does not include mutual funds.The book was donated to my town library.

ldquo;Buy early and diversify.rdqquo; But what good is that Wall Street adage for those entering retirement with little savings? Theyrsquo;re looking for a substantial and quick return on their money. This guide is for them. It provides retirees with the knowledge and confidence needed to join the stock market later in the game. Financial expert Thomas Maskell secures readersrsquo; investments as he introduces stock market procedures and terminology, helps retirees increase their investments to multiply their account value, ignores standard Wall Street rhetoric and trains them to become their own investment experts, and leads them on the path of short-term buying and selling success. This vital stock, investing, and trading information is delivered to readers in an accessible and understandable way. Retirees can now focus on enjoying retirementmdash;rather than affording it.
